SERVICE FACT SHEET

The ACCESS Service

ACCESS is door-to-door, advance reservation, shared-ride transportation provided throughout Allegheny County and to destinations in adjoining counties within 1.5 miles of the Allegheny County line. As a coordinator of paratransit service throughout Allegheny County, ACCESS offers several special discount programs for individual riders, as well as providing service for groups, human service agencies and other organizations that purchase transportation for their clients. ACCESS is also open to the general public at full fare rates.

ACCESS provides service seven days per week, at a minimum from 6:00 A.M. to midnight.* There are no restrictions on the purpose or number of trips that may be taken by ACCESS riders, except that riders are required to share the vehicle with other riders who are traveling at the same time in the same direction. Ride sharing helps ACCESS to make the best use of available vehicles and keep costs down.

SPECIAL DISCOUNT PROGRAMS

ACCESS ADA Program

The **ACCESS ADA** Program is a service offered by the Port Authority of Allegheny County for people with disabilities, regardless of age, who are functionally unable to independently use Port Authority bus service, either all of the time, or under certain circumstances.

ACCESS 65 Plus Program

The **ACCESS 65 Plus** Program is a special program which provides an 85% discount on ACCESS fares for anyone aged 65 or over. Funds for the ACCESS 65 Plus Program discount are provided by the Pennsylvania Lottery through the Pennsylvania Department of Transportation.

Agency Sponsors

Agencies can choose to sponsor ACCESS rides for their participants and pay all or part of the fare. There are over 150 agencies with ACCESS billing accounts. They use ACCESS instead of operating their own vehicles—coordination and ride-sharing makes the service more efficient and eliminates duplication.

**ACCESS is available to ADA-eligible people before 6 AM and after midnight if Port Authority fixed route service is in operation at that time at both the origin and destination.*

Reservations

Reservations for ACCESS service are made in advance. To place trip reservations, riders call the ACCESS service provider in their neighborhood.

Vehicles

ACCESS service is provided with a combination of more than 300 lift-equipped vans and sedans operated by six companies that are ACCESS service providers. All ACCESS service providers are under contract to ACCESS Transportation Systems and must comply with specific requirements including insurance, maintenance, driver training, vehicle safety and accessibility standards.

Assistance

Door-to-door transportation means that drivers will provide assistance from the door of the origin to the door of the destination, including boarding the vehicles. Drivers will help passengers up and down as many as **four (4) steps** and will assist with up to **four (4) packages or bags**. Drivers are not permitted to go past lobby doors to enter private homes.

Fares/Payments

Fares are paid from an electronic account (ePurse) where deposits are made online using a secure web site, by mail or in person at the central ACCESS Office. You may use a credit or a bank debit card. All fares are predetermined and are based on trip length. Agencies and other organizations may open billing accounts with ACCESS to charge any individual or group rides that they wish to sponsor.

How to Apply

ACCESS ADA Program evaluations are held several times each month in downtown Pittsburgh. Appointments are required and may be made by calling the central ACCESS Office. Assistance with transportation to the evaluation is available upon request, at no charge.
