The 65 Plus Program offers flexible, door-to-door, shared-ride transportation for people age 65 and older at an 85% discount from regular ACCESS fares. This program is sponsored by Pittsburgh Regional Transit, with funding from the Pennsylvania Lottery through the Pennsylvania Department of Transportation.

65 Plus Service

Riders can use ACCESS service for any destination within Allegheny County, and destinations in adjoining counties within 1.5 miles of the county line. Rides are available seven days per week, from 6 a.m. to midnight. There are no restrictions on the purpose or number of trips. This program gives riders convenient, accessible transportation service with professional, well-trained drivers.

Amenities include:

- Door-to-door service, with driver assistance throughout journey
- Real-time trip tracking and alerts for trip arrival and departure
- Hand-to-hand service for riders who can't be left unattended
- Electronic fare payment, so riders don't have to handle fares on-board
